Every act or omission that violates, in whole or in part, any of the covenants, conditions, provisions, restrictions and terms contained in this Declaration is hereby declared to be a nuisance, and every remedy allowed by law or equity therefor shall be applicable against the party who so violates this Declaration and may be exercised by Declarant or the Board.

C. Attorneys Fees. In the event, in the reasonable opinion of the Board or Declarant, it shall be necessary to secure the services of an attorney to enforce the provisions of this Declaration, then the fee of such attorney, and all other costs in connection with the enforcement of this Declaration, including, but not limited to, the costs of obtaining and/or continuing an abstract of title to the Lot in question, the costs of any contemplated or actual legal proceedings, and the costs of preparation and presentation of any evidence shall be the obligation of the Owner of the Lot which is the subject of such enforcement action, unless such Owner is found not to have violated any provision of this Declaration; however, such Owner shall not be obligated for any such attorneys fees and costs incurred by such Declarant or the Board if the Owner offers to settle the matter for an amount equal to or greater than that finally approved by a court of competent jurisdiction and/or by taking or forbearing from the requested action, as appropriate. If such costs and attorneys' fees are not paid within ten (10) days from the date of written notice thereof by the Board or Declarant to the Owner of such Lot, said fee and costs shall thereupon constitute a lien against the Lot in question, the same as the lien for the general assessment pursuant to the provisions of Article XI hereof, and all interest and remedies applicable to such lien shall apply thereto.

D. Inspection. Declarant or representatives of the Association who are authorized by the Board may, from time to time, at any reasonable hour or hours, enter and inspect any Lot subject to this Declaration to ascertain compliance therewith.

E. Failure to Enforce Not a Waiver of Rights. The failure of Declarant, the Association, or any Owner of a Lot which is subject to this Declaration to enforce any condition, covenant, provision, restriction, reservation or term of this Declaration in any one instance shall not be deemed a waiver of the right to do so thereafter nor shall it be deemed to constitute a waiver of the right to enforce any other condition, covenant, provision, restriction, reservation or term of this Declaration.

F. Rights of Third Parties. Nothing in this Declaration shall be construed so as to impose or create any duty or obligation on either Declarant, the Association or any Owner of any Lot which is subject to this Declaration to the benefit of the general public, third parties, or invitees, guests, employees, agents, principals or licensees of any Owner or Occupant of any Lot which is subject to this Declaration.

G. Liability. Neither the Declarant nor the Association, nor their respective members, shareholders, directors, managers, officers, employees, agents and representatives shall have any liability to or for damages of any sort to any Owner or Occupant or to any other person or entity for any exercise or failure to exercise any right or duty or obligation, if any, of Declarant or Association hereunder, or in any manner arising therefrom, or for the granting of approval or withholding of approval, required or permitted under the terms of this Declaration, except as in Declarant's or the Association's capacity as the Owner of any Lot that is subject to this Declaration. Any Owner of a Lot which is subject to this Declaration may, however, exercise any rights such Owner may have against the Declarant or Association or otherwise seek to enforce the conditions, covenants, provisions, restrictions, reservations and terms of this Declaration against such Declarant or the Association, by an action in equity for specific performance or injunctive relief, to which Declarant or Association shall be subject. These remedies of specific performance and injunctive relief shall be the only remedies available against Declarant or the Association (except as in Declarant's or the Association's capacity as the Owner of any Lot that is subject to this Declaration) for any exercise or failure to exercise any right, duty or obligation, if any, of Declarant or Association hereunder, or in any manner arising herefrom, or for the granting of approval or withholding of approval required or permitted under the terms of this Declaration, all other remedies being expressly waived by acceptance of a deed to any Lot within the Subdivision.

H. Condemnation. In the event of any partial taking by a governmental body or other entity that has the power of eminent domain that involves a taking of all or part of Improvements to be constructed by Declarant, the Owners of each Lot agree, by acceptance of a deed to such Lot, whether or not it is so expressly stated in such deed, that the Association shall have and shall be deemed to have an interest in proceeds to be paid for such taking in the amount necessary to repair, restore or replace the portion of such Improvements so taken as near as practicable to a functional whole to serve the same purpose after such taking as the facility so taken served prior to such taking. To the extent that the Association does not receive its own award or payment from the condemning authority or the award or payment received is

inadequate to cover the cost of repair, restoration or replacement of such Improvements, the Owners of each Lot receiving such award or payment shall pay to the Association pro rata from their awards or payments the amount necessary for the Association to complete such repair, restoration or replacement of such Improvements. In the event that the awards or payments received from such condemnation are inadequate to pay the entire cost to complete such repair, restoration or replacement of such Improvements, then the remaining cost shall be assessed against all Owners of Lots in the Subdivision in proportion to their respective assessment shares. All amounts due to the Association from the Owners of any Lot shall constitute a lien against the property in question, the same as the lien for the general assessment pursuant to the provisions of Article IV hereof, and all interest and remedies applicable to such lien shall apply thereto.

I. Estoppel Certificates. The Association shall issue to any Owner of a Lot or to any mortgagee of, or purchaser from, any Owner of a Lot, an Affidavit Explanatory of Title or Estoppel Certificate in such form as may reasonably be requested. The Association shall be entitled to establish a reasonable fee for the provision of a certificate in accordance with the foregoing provisions and may condition the delivery of such certificate upon the payment of the applicable fee.

J. Covenants Binding and Running with the Land. Each of the conditions, covenants, indentures, restrictions and reservations contained in this Declaration shall be binding upon and inure to the benefit of Declarant, the Association, and the Owners of each Lot in the Subdivision, and their successors and assigns and all parties and persons claiming under any of them, and shall be deemed covenants that run with the land, and shall continue for the applicable periods specified in this Declaration.

K. Duration. This Declaration and all conditions, covenants, provisions, restrictions, reservations and terms hereof shall be binding for a period of twenty-one (21) years from the date of the recording of these covenants, unless claims to continue any interest in the covenants are filed as provided by law.

L. Amendment of This Declaration. This Declaration may not be altered, amended, modified, supplemented or terminated, in whole or in part, except in writing and as provided in this Section. Declarant may, by written declaration signed and acknowledged by them and recorded in the Office of the Recorder for Boone County, Iowa, alter, amend, supplement, add to, or terminate such conditions, covenants, indentures, restrictions and reservations of this Declaration, provided, however, that such alteration, supplement, addition, amendment or termination shall insure provisions for the continued operation, maintenance, repair, restoration and replacement of Improvements to the Subdivision, and further provided that no such alteration, amendment, supplement, addition, or termination may change the manner of assessment of any Owner except in a manner applied uniformly to all Owners. No such alteration, amendment, modification, or change shall reduce or modify the rights or obligations granted to, or imposed upon, the Association with respect to the continued operation, maintenance, repair, restoration and replacement of the Declarant Improvements to the Subdivision and the power to levy assessments therefor or to eliminate the requirement that there be an Association unless some other person or entity be substituted for the Association and succeed to all of its rights and duties under this Declaration. It is expressly understood that no

such alteration, amendment, supplement, addition, or termination shall require the consent of any Occupant, Owner, or any mortgagee of any Lot or from the County.

M. Release Upon Sale. Subject to the provisions of this Section, if an Owner of a Lot sells, transfers, or assigns its Lot (other than as security for a loan), the Owner shall be released from its future obligations under this Declaration. It shall be a condition precedent to such release and discharge that any and all amounts that shall then be due and payable by such Owner shall have been paid, and that such Owner shall give written notice to the Association of any such sale, transfer, conveyance, or assignment concurrently with the filing for record of the instrument effecting the same.

Notwithstanding anything in this Declaration to the contrary, it is expressly understood and agreed that any first mortgagee that shall have acquired title to any Lot, or portion thereof, through foreclosure or deed in lieu of foreclosure, shall not be personally liable for any obligations under this Declaration that arose with respect to the obligations of the Owner of such Lot prior to the date such mortgagee acquired title thereto; provided, however, that any existing lien or right to a lien against such Lot allowed by this Declaration or as a result of the enforcement of this Declaration with respect to matters occurring before such mortgagee so acquired title thereto and shall continue and remain in full force and effect.

N. Severability. In the event any provision of this Declaration is held invalid, illegal, or unenforceable, in whole or in part, the remaining provisions of this Declaration shall not be affected thereby and shall continue to be valid and enforceable and if, for any reason, a court finds that any provision of this Declaration is invalid, illegal or unenforceable as written or applied, but that by limiting such provision it would become valid, legal and enforceable, then such provision shall be deemed to be written or applied and shall be construed and enforced as so limited.

O. Time of Essence. Time is of the essence with respect to the performance of each of the conditions, covenants, terms and provisions of this Declaration.

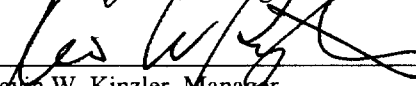

P. Governing Law. This Declaration shall be construed in accordance with the laws of the State of Iowa.

Q. Captions. The captions of the Articles, Sections and Subsections of this Declaration are for convenience only and shall not be considered nor referenced in resolving questions of interpretation and construction of this Declaration.
